## **Altaley Mining Announces the Commencement of OTCQX Best Market Trading**

Vancouver, British Columbia, September 20, 2021

[Altaley Mining Corporation](#) (“Altaley” or the “Company”) ([TSXV: ATLY](#)) ([OTCQX: ATLYF](#)) ([FSE: TSGA](#)) is pleased to announce that its common shares are now trading on the OTCQX Best Market under the ticker symbol of ATLYF. The OTCQX Best Market is the highest market tier of OTC Markets on which 10,000 U.S. and global securities trade. Trading on OTCQX will enhance the visibility and accessibility of the Company to U.S. investors. Altaley’s common shares will continue to trade on the TSX Venture Exchange under the symbol ATLY, and on the Frankfurt Stock Exchange under the symbol TSGA.

The OTCQX Best Market provides value and convenience to U.S. investors, brokers and institutions seeking to trade ATLYF. The OTCQX Best Market is OTC Markets Group's premier market for established, investor-focused U.S. and international companies. To be eligible, companies must meet high financial standards, follow best practice corporate governance, demonstrate compliance with U.S. securities laws, be current in their disclosure, and have a professional third-party sponsor introduction.

Altaley has also completed the process of securing Depository Trust Company ("DTC") eligibility for its common shares. DTC manages electronic clearing and settlement of publicly traded companies across the United States and in 131 other countries. Trading through DTC allows for cost-effective clearing and guaranteed settlement, simplifying and accelerating the settlement process of daily trades. U.S. investors can find current financial disclosure and Real-Time Level 2 quotes for the company on [www.otcmarkets.com/stock/ATLYF/quote](http://www.otcmarkets.com/stock/ATLYF/quote).

Ralph Shearing, the CEO of Altaley stated "We are pleased to reach the milestone of trading on OTCQX, as this will provide our valued US investors with greater liquidity and execution services through OTCQX. It will also help us to build our visibility among US investors. This is an important step in the evolution of the Company. With greater visibility afforded to investors through the mandated disclosure requirements of the OTCQX market, we anticipate that this upgrade will strengthen confidence in Altaley by retail and institutional investors alike."

### **About Altaley Mining Corporation**

Altaley Mining Corporation is a Canadian based mining company with two 100% owned Mexican gold, silver, and base metal mining projects.

Altaley's Tahuehueto Gold Mine project is in north-western Durango State, Mexico where construction has been advanced to an estimated 70% of completion. With the recently announced US \$25 million funding package, Altaley has the funding available to finish construction of its 1,000 tonne per day processing facility and related mine infrastructure to initiate production of gold, silver, lead, and zinc in concentrates at Tahuehueto. The Company is targeting initial pre-production by the end of 2021 and ramping up to full production capacity during Q1 2022.

#### **CAUTIONARY NOTE REGARDING PRODUCTION DECISIONS AND FORWARD-LOOKING STATEMENTS**

*Statements contained in this news release that are not historical facts are "forward-looking information" or "forward-looking statements" (collectively, "Forward-Looking Information") within the meaning of applicable Canadian securities laws. Forward Looking Information includes, but is not limited to, disclosure regarding the planned recommencement of mining operations at Campo Morado; and other possible events, conditions or financial performance that are based on assumptions about future economic conditions and courses of action; the timing and costs of future activities on the Company's properties, such as production rates and increases; success of exploration, development and bulk sample processing activities, and timing for processing at its own mineral processing facility on the Tahuehueto project site. In certain cases, Forward-Looking Information can be identified using words and phrases such as "plans," "expects," "scheduled," "estimates," "forecasts," "intends," "anticipates" or variations of such words and phrases. In preparing the Forward-Looking Information in this news release, the Company has applied several material assumptions, including, but not limited to, that the current exploration, development, environmental and other objectives concerning the Campo Morado Mine and the Tahuehueto Project can be achieved; that recommencement of operations at Campo Morado will proceed as planned; the continuity of the price of gold and other metals, economic and political conditions, and operations. Forward-Looking Information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance, or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the Forward-Looking Information. There can be no assurance that Forward-Looking Information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on Forward-Looking Information. Except as required by law, the Company does not assume any obligation to release publicly any revisions to Forward-Looking Information contained in this news release to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events. Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
